Session Topics

The focus is not to detail it in full but rather to highlight the three pillars.

1. Rotary International suggests that clubs develop strategic plans. What is a strategic plan? Why do we need one? What are the benefits?

There are many ways to do strategic planning, and some of your club members may have experience with a particular process.. "Visioning". How can you discover and use this expertise? Are there other people resources you can call on for assistance?

2. Based on your previous group Self-Evaluation result "areas of improvement", develop at least two three-year goals and an annual goal for each one. What strategy are you going to use to accomplish each goal? How can you insure accountability?

Note: Use same small groups established in the Club Analysis section.

3. What is the process of creating a strategic plan? Is board, club, or key member "buy-in" more important? How often does the plan need to be reviewed? Can the plan be changed? How?

4. What is your Rotary club's "brand" or "distinctive position" in your community? Is it different than the "brand" of Rotary International? Is defining your club's "brand" important for strategic planning? How do you define your club's brand?
5. Rotary International has an International Strategic Plan. Let's review the main points of the Plan.
 - a. What is the Rotary District's Strategic Plan?
 - b. Does your Club has a Strategic Plan?
6. Why is analysis by a Rotary club important for the club? Why is it an important exercise for the Rotarians within the club?

7. Complete the survey as directed.

Instructions to Facilitator:

- a. *It is suggested that class be divided into small groups.*
- b. *Have each group complete one section of the survey:*
 - Club Administration*
 - Membership*
 - The Rotary Foundation*
 - Structured Programs / Public Image*
- c. *When completing Club Evaluation Survey in the session, the points do not apply. If participant does not know the answer, assign "DK – Don't Know".*
- d. *Advise participants to not add points in each section.*
- e. *Do not assign the bonus questions.*

"Action without vision is wasted, and vision without action is just a dream.

Action with vision brings hope to the world."

1996-97 RI Pres. Luis Vicente Giay
— Address to 1996 Rotary Convention,
Calgary, Alberta, Canada

8. What was your reaction to the survey?

Discuss within the entire group. Ask participants to briefly explain their reaction and suggestions for improvement. What are you going to do in your club.

9. After performing the Self-Evaluation, what areas of improvement are apparent? Are these improvements specific to your club, or do they have a wider application to other Rotary clubs?

Each group suggests improvements for the area of the survey they completed.

Strategic Planning Guide

See how your club’s goals reflect those of your district and Rotary International’s strategic plan? Typically, Rotary clubs with a strategic plan are stronger than clubs without one. Research shows that members of clubs with a plan were more satisfied and had a more positive view of their clubs and Rotary overall.

This guide will help you set long-term priorities and goals, all of which will support your club’s vision. It’s designed for Rotary clubs, but districts can use it too. As you prepare a strategic plan, consider these tips:

- Build a team of past, present, and incoming club leaders to oversee the plan’s development and use.
- Ask an unbiased facilitator to run strategic planning meetings.
- Include a variety of perspectives by involving a diverse range of club members.
- See how your club’s goals reflect those of your district and Rotary’s strategic plan.

Strategic Planning Worksheet

1. Where are you now?

List the opportunities and challenges facing your community.

When checking your club’s current state, use Rotary Club Central, Rotary Club Health Check, Membership Assessment Tools, and your region’s version of Be A Vibrant Club to see what your club is doing well and what it could improve.

<p>Club strengths</p>	<p>Club weaknesses</p>
<p>Opportunities for membership development in the community (<i>new businesses, growing population</i>)</p>	<p>Challenges facing the community (<i>such as economic decline, competing services</i>)</p>

2. Where do you want to be?

List five to 10 characteristics that you would like your club to have three to five years from now.

Next, prepare a one-sentence vision statement. Revise it with the team as needed, then see whether club members support it. (Include something that will distinguish your club from other service groups in your community — e.g., “Our vision is to be the most internationally diverse service club in our community,” or “Our vision is to be the service club most supportive of youths in our community.”)

3. How do you get there?

- Set strategic priorities that will help your club achieve its vision, considering:
 - The club’s strengths and weaknesses
 - The goals of the R.I. Strategic Plan, those of your district, and those of your regional membership
 - Programs and missions of Rotary International and The Rotary Foundation
 - Your community’s opportunities and challenges
 - Members’ opinions
 - Achievability in three to five years
- Get the team to choose the most important strategic priorities — those that will have the biggest impact as your club works toward its vision.
- Identify yearly goals that support each of the top strategic priorities.
- List the tasks and activities, timeline, resources, and people necessary to meet the yearly goals under each of the strategic priorities.
- Use Rotary Club Central to help set goals and track achievements.

Strategic priority 1: _____

Annual Goals	Tasks/Activities	Timeline	Resources Needed	Member Assigned

Strategic priority 2: _____

Annual Goals	Tasks/Activities	Timeline	Resources Needed	Member Assigned

Strategic priority 3: _____

Annual Goals	Tasks/Activities	Timeline	Resources Needed	Member Assigned

4. How are you doing?

- Have your strategic planning team regularly monitor progress on reaching its goals and suggest plan updates as needed.
- Review your strategic plan, including its vision statement and priorities, each year with club members to see if they would like any revisions.
- Make sure club decisions support the goals of the plan, and discuss observations with the strategic planning team.
- Allot enough resources to achieve the plan.
- Repeat the strategic planning steps every three to five years to produce a new plan or keep the current one.

List steps that your club should take to track its strategic plan, including a timeline — e.g., reports at monthly board meetings, talks at club assemblies, and annual reviews.

Rotary Club Self-Evaluation of Performance and Operations

This form is to conduct a self-evaluation and review of your club’s current performance and operations. It is NOT intended to “grade” your club, but rather provide a mechanism to discover the strengths of your club and identify areas that might be improved. Many questions will require a degree of reasonable appraisal. Please be guided by the Four Way Test and your best judgment in answering the questions. Divisions and districts are free to adopt and utilize the evaluation.
