2010-11 ROTARY FOUNDATION PROGRAM PARTICIPATION THROUGH SHARE

Dear 2008-09 District Governor:

SHARE allows districts to choose how they wish to participate in the programs of The Rotary Foundation using their District Designated Funds (DDF). This SHARE Kit is to assist districts in planning how funds will be spent during the 2010-11 Rotary year.

In accordance with The Rotary Foundation Code of Policy, the District Rotary Foundation Committee (DRFC), comprised of the district governor, the DRFC chair and the subcommittee chairs, is responsible for SHARE planning at the district level. To assist in your district’s planning to spend 2010-11 DDF, the following are enclosed:

1. SHARE System Report – showing 50% of APF contributions from 2007-08
2. Endowed Fund Update – only for districts with endowed funds restricted to SHARE
3. SHARE kit receipt form – please forward to your DGN for his or her signature
4. Rotary Foundation Fund Pools donation form – return any time until 30 June 2011
5. Educational Programs donation form – please return by 31 March 2009
6. SHARE DDF options list – includes new amounts for Educational Programs
7. SHARE worksheet – with Excel formulas to calculate the remaining balance

All districts are encouraged to submit items 3 and 4. However, please note that should your district be selected as a pilot district for the Foundation’s Future Vision Plan, items 5 through 7 will not be applicable. Future Vision pilot districts will receive unique instructions at a later date for participating in the 2010-11 SHARE process.

Your Regional Rotary Foundation Coordinator (RRFC) is an excellent resource to help you in your SHARE planning. Your RRFC is being copied on these materials, and we encourage you to work with him or her to take full advantage of the SHARE system.

Sincerely,

Steve Lyons

If your district is donating a scholarship for a scholar to study in your district, please note recommended study institutions here:
SHARE DDF Options for 2010-11**

- **Matching Grants — sponsor portion**: Support Rotary clubs and districts as they work with international partners to address humanitarian conditions that benefit communities in need.

- **District Simplified Grants**: Support the service activities or humanitarian endeavors in which districts engage in local and international communities. The total maximum DSG allowance is equal to 20% of DDF based on 50% of Annual Giving three years prior.

- **3-H Grants – sponsor portion**: Fund long-term (2-5 years) international development projects to improve health, alleviate hunger, or enhance development through self-help activities.

- ***Academic-Year Ambassadorial Scholarship (US$25,000)**: An Ambassadorial Scholar from your district or a non-Rotary country receives a flat grant of US$25,000 to study for one academic year in another Rotary country during 2010-11.

- ***Multi-Year Ambassadorial Scholarship (US$25,000)**: An Ambassadorial Scholar from your district or a non-Rotary country receives a flat grant of US$12,500 or its equivalent per year for two years of study in another Rotary country during 2010-12.

- ***3-Month Cultural Ambassadorial Scholarship (US$12,000)**: An Ambassadorial Scholar from your district or a non-Rotary country engages in intensive language training and cultural immersion for three months in another Rotary country during 2010-11.

- ***6-Month Cultural Ambassadorial Scholarship (US$17,000)**: An Ambassadorial Scholar from your district or a non-Rotary country engages in intensive language training and cultural immersion for six months in another Rotary country during 2010-11.

- ***3-5 Month Rotary Grant for University Teacher (US$14,000)**: A University Teacher from your district receives a flat grant of US$14,000 for three to five months of teaching service at a university or college in a low-income country during 2010-11.

- ***6-10 Month Rotary Grant for University Teacher (US$25,000)**: A University Teacher from your district receives a flat grant of US$25,000 for six to ten months of teaching service at a university or college in a low-income country during 2010-11.

- ***Group Study Exchange Team (US$13,000)**: Districts in good standing are entitled to a World Fund GSE every year at no cost to the district, but may also send one additional GSE team through the use of DDF. Paired Rotary districts both send and receive a team of four non-Rotarians plus a Rotarian team leader for a four- to six-week study tour to learn how their vocations are practiced in another country. Exchanges are completed in one Rotary year. A GSE team funded with DDF may partner with a district that is funding their GSE through DDF or the World Fund. GSE World Fund awards many not be donated from one district to another. Also, districts may not accumulate GSE World Fund awards from year to year.

- ***Neighboring Country Group Study Exchange Team (US$7,000)**: Follows the same guidelines as a standard GSE, but is an exchange between any two districts located in countries that have a common border or exist in close proximity. In multi-country districts a Neighboring Country GSE team must be based on travel between localities that have a common country border or exist in close proximity.

- ***GSE Additional Team Member (US$3,000)**: Districts may add up to two additional non-Rotarian team members through SHARE, contingent upon the written approval of district governors from both districts. Additional Team Members must meet all eligibility requirements. Program subsidies remain the same regardless of the number of team members.

- ***Neighboring Country GSE Additional Team Member (US$2,000)**: Districts pursuing a Neighboring Country GSE may also add up to two additional non-Rotarian team members through SHARE, contingent upon the written approval of district governors from both districts. All other requirements remain the same.

- **GSE Team Orientation (maximum of US$1,000)**: Districts may use DDF to offset costs associated with planning and conducting orientation programs for out-bound GSE teams.

- **GSE Language Training Subsidy (any amount)**: This option is available to your district to supplement the Standard Language Training Subsidy of up to US$1,000 offered by the Foundation.
Donations

- **PolioPlus Fund**: An opportunity to donate DDF to PolioPlus, Rotary's priority program, to support the most essential components of polio eradication activities such as National Immunization Days, including house-to-house vaccination campaigns in priority countries, and disease surveillance. The Rotary Foundation received a US$355 million grant from the Bill and Melinda Gates Foundation. During the 2008-09, 2009-10, 2010-11 and 2011-12 Rotary years, we are challenged to raise US$200 million to match the Gates Foundation's gift. A district's 2010-11 DDF donation to PolioPlus will be counted towards matching the Gates Foundation Challenge Grant.

- **DDF Donation**: A contribution of DDF is made to a Rotary district of your choice. The receiving district may use the donated DDF for any available SHARE option it chooses.

- **World Fund**: The World Fund is vital to the continuation of the Foundation's programs. The Trustees use the World Fund to offer programs such as, Group Study Exchange awards, the Foundation's matching portion of Matching Grants and pilot programs.

- **Permanent Fund**: The Permanent Fund ensures The Rotary Foundation’s ability to meet the urgent needs of the future through an endowment. Spending of investment earnings from DDF contributions to the Permanent Fund will be used for the World Fund. (DDF donations into pooled endowed funds for the support of Rotary centers are not accepted.)

- **Rotary Centers for International Studies in peace and conflict resolution program**: Donations support the pool of funds that provides up to 60 Rotary World Peace Fellowships for master’s degree study and up to 50 Rotary World Peace Fellowships for professional development certificate study, offered annually on a world-competitive basis for study at the seven Rotary Centers. Rotary World Peace Fellows obtain a master’s degree in international relations, peace studies, conflict resolution, and related areas or a professional development certificate in peace and conflict studies.

- **Scholarships Fund Pool for Low-Income Countries**: This fund provides Ambassadorial Scholarships to be awarded annually to students from low-income countries.

* DDF Program Options that are marked with asterisk (*) may also be donated to other districts.

** Districts selected as a pilot district for the Foundation’s Future vision Plan will be provided with a different list of Trustee-approved SHARE DDF spending options.
